# Hey Kids!

Be part of the greatest youth club that Jewish kids are raving about! There will be trips, yummy lunches, contests and a really great time. But there will also be something else that's really important. In this club, you will help make the world a better place. You and other Jewish kids from grades K - 6 can join together for *mitzvot* and fun! Besides all the great activities, you'll be part of social action adventures like bringing joy to the elderly, the sick and the needy.

Remember! You're a kid, so have some fun - But... you're big enough to make a difference too!
